Ancient Delos Tour

Explore the legendary **UNESCO** World Heritage Island of Delos, one of Greece's most important archaeological sites. Visit the ancient city, including its marketplaces, public squares, the Temple of Apollo, and the famous Lion Street, while your expert guide shares fascinating stories of its history.

Discover the **Delos Archaeological Museum**, housing sculptures and artifacts spanning the Archaic, Classical, Hellenistic, and Roman periods. This tour offers a unique glimpse into life on Delos over millennia and is a must-see for history and culture enthusiasts.

Tours will not operate on the following dates:

- *May 1st*
- *Greek Easter: April 12*

Discover Authentic Tour

Daily departures in English & Spanish

Discover the **authentic side of Mykonos** with a scenic tour that combines history, culture, and breathtaking landscapes.

Visit the iconic Armenistis Lighthouse, enjoy panoramic views of the ports and surrounding islands, and **explore the island's traditional countryside**. Stop at Ano Mera Village and the Monastery of Panagia Tourliani before visiting the Mykonian Farm to meet farm animals and taste local products. The tour also includes photo stops at the beautiful beaches of Kalo Livadi, Kalafatis. Conclude with a panoramic view of Mykonos Town before returning to your hotel or cruise ship.

Armenistis Lighthouse Visit

The historic **Armenistis Lighthouse**, locally known as Fanari (“Lantern”), stands as a sentinel over Mykonos and a symbol of the island’s maritime heritage since **1891**.

The 19-meter tower, with a focal plane of 184 meters, offers breathtaking panoramic views of the sea, coastline, and nearby islands, including Tinos.

Accessible via the scenic road from Agios Stefanos, the lighthouse **provides insight into Mykonos’ strategic past**, while the mechanism of its first lamp is displayed at the Aegean Naval Museum in central Mykonos.

A visit here combines history, culture, and unforgettable island vistas.

Daily departures in English & Spanish

19:00 PM - 21:30 PM

Price: 50€ per person

Private Operation: + 200€

Sunset Lighthouse Armenistis

The lighthouse, known locally as Fanari—meaning “lantern” in Greek—stands like a sentinel over the Armenistis area, reflecting Mykonos’ long maritime history. You can reach it by taking the road from Agios Stefanos, which offers some of the island’s most spectacular views, just 6.5 km from Mykonos Town.

Built in 1891, the tower rises **19 meters high**, with a focal plane at 184 meters. The original Armenistis lamp mechanism is now displayed outside the Aegean Naval Museum, located in a 19th-century traditional building in central Mykonos, near the area known as Three Wells (Tria Pigadia).
